

# Date While You Wait

13/05/2018

"Date While You Wait provides a quick, meaningful and unforgettable dose of goodness in a world sometimes flooded with negativity. Each day in New York City, hundreds of thousands of strangers standing next to each other without saying one word with their eyes fixated on electronic devices during dismal commutes. Date While You Wait is a beautiful distraction to lighten the mood of someone's day and strike up fun conversations while waiting on a subway platform."
